Counselor volunteers make it possible for the district to provide camp for children in Kids' Camp and Pre-Teen Camp. Without willing volunteers to give a week of their time to serve as counselors there would be no camps available to the children. In advance, *thank you for your willingness to serve.*

We are **NOT** able to take "walk-in" counselors as background checks are required of each counselor, other workers, and all adults on the campground. These are to be received by the Camp Director prior to the first day of the camp. Thus, counselors must register early. Counselors must **make prior arrangement for children NOT of camp age**. Neither younger nor older children of counselors can stay in the dorms with campers and counselors.

**Applications are needed as soon as possible.** We apologize applications have not been made available sooner. However in order to plan the camp well, Counselor Applications and Background Checks are needed early. These should be sent prior to sending the Camper Registration Forms if possible.

***Background Checks* are *required*** of everyone over age 18 who will be on the campgrounds during the camps for Kids and Pre-Teens. These should be National Background Checks. If needed, contact Adrian Camp and Conference Center for assistance. **Prior to the date of the camp, background checks must be complete and filed with the counselors application.**

**Camp Guidelines:** Christian modesty in regards to dress at all times: shorts must be at least mid-thigh length, no items like tank tops, halter-tops or spaghetti straps. Coverings are to be worn over swim wear back and forth to the pool, not just towels. Shoes are to be worn at all times for safety purposes.

Please mail all applications to:

**Barbara Stephenson  
14 Caspian Ct.  
Whitesburg, Ga 30185**
